FOR IMMEDIATE RELEASE

Fidelity Electric Earns Coveted Angie's List Super Service Award

Award reflects company's consistently high level of customer satisfaction

SAN DIEGO, CA – Feb. 14, 2008: Fidelity Electric has been awarded the prestigious and difficult-to-attain 2007 Angie's List Super Service Award in two categories: Electrical and Lighting.

This exclusive recognition is awarded at the beginning of each year to companies who have achieved and maintained a superior service rating on Angie's List throughout the past year. Fewer than 5 percent of the companies on Angie's List meet the eligibility requirements to be considered for the award.

“Our Super Service Award winners are the cream of the crop when it comes to customer service,” said Angie Hicks, founder of Angie's List. “To help our members easily find these exceptional service companies, we've added Super Service Award logos to each of the winning company names on AngiesList.com. Our members tell us they love that additional bit of information.”

“The Super Service Award reflects our unfailing commitment to impeccable service,” said Suzanne Ervine, vice president of Fidelity Electric. “We started Fidelity Electric with a clear vision of how our exceedingly high standards could raise the bar for electricians and homeowners throughout San Diego County.”

Established in 2006 by Suzanne and Roger Ervine, Fidelity Electric has built its business on an unparalleled reputation fueled by word-of-mouth and referrals on sites such as Angie's List. Roger's expertise and diligence in electrical troubleshooting, remodel, service and repair has propelled the company to the top of the listings on several consumer-driven referral sites. The company continues to promote its campaign of homeowner education and awareness, recently publishing [“Four Quick Questions That Reveal Any Electrician's Operating Philosophy”](#) which can be downloaded for free at www.fidelityelectric.com.

Angie's List Super Service Award winners have maintained an "A" rating overall; have received a minimum number of reports; are NOT in the Angie's List "Penalty Box," and do NOT have an unsatisfactory rating with the Better Business Bureau.

###

Angie's List is where consumers turn to get the real scoop on local contractors and companies in more than 280 different categories. Currently, more than 600,000 consumers across the U.S. rely on Angie's List to help them find the right contractor or company for the job they need done. Members have unlimited access to the list via Internet or phone; receive the Angie's List magazine, which includes articles on home improvement and maintenance, consumer trends and scam alerts; and they can utilize the Angie's List complaint resolution service.
